

Houston Dinner

Presented by
H. Malcolm Stewart

JOIN US FOR A SPECIAL EVENING WITH SPECIAL OPERATIONS VETERANS

You are invited to an exclusive dinner with Special Forces Operators and executives from the Houston Area to benefit The Honor Foundation, an executive-level transition career program.

Please join us as we welcome The Honor Foundation to Houston, TX.

91% of transitioning U.S. Special Operation Forces say transitioning from the military to civilian life is more difficult than combat deployments and family separation.

Only 13% of transitioning U.S. SOF service members have a job lined up the day they leave military service.

Innovation and the ability to assume risk leave many companies nervous in the current economic climate. The Special Operation Forces (SOF) community possesses a unique set of leadership and operations skills to ensure success in the most competitive market.
